E9xDGA Display system

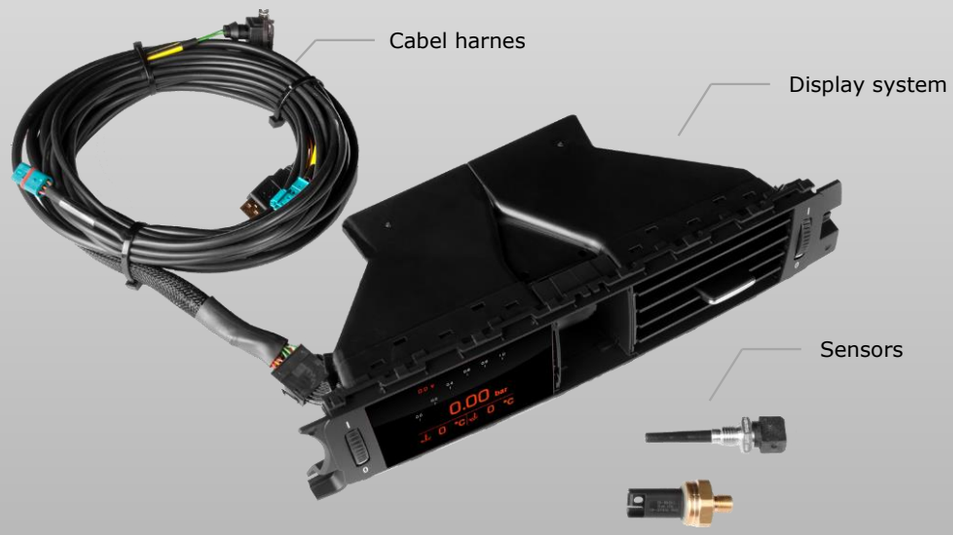
Scope of delivery and Technical specifications



Technical specifications

- OLED color display 320 x 240
- interfaces:
  - CAN - bus 500 Kbit
  - USB interface for software updates
- Body - plastic, original BMW air grille
- Dimensions 350 mm x 70 mm x 130 mm
- Weight 320g

Scope of delivery

- A display system
- Cable connection incl. USB port
- Sensors
- Operating instruction
