

## F2xDGA Display system

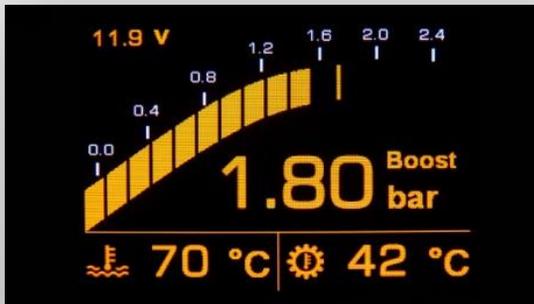

BMW

- F20 5 - Doors
- F21 3 - Doors

## F2xDGA Display system

Boost pressure display

- Battery voltage
- Boost pressure bar
- Peek holder bar
- Boost pressure
- Cooling water temperature
- Temperature of the gear

Torque display

- Battery voltage
- Torque bar
- Peek holder bar
- Torque
- Cooling water temperature
- Temperature of the gear

Performance display

- Battery voltage
- Power bar
- Peek holder bar
- Power
- Cooling water temperature
- Temperature of the gear

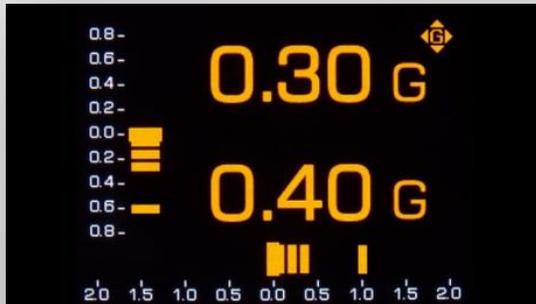

Performance chart

- Power
- Torque
- Torque graph

## F2xDGA Display system

Lateral and Longitudinal acceleration

- Longitudinal acceleration
- Longitudinal acceleration bar
- Peek holder bar
- Lateral acceleration

Sprint display

- Speed
- Stopwatch
- Maximal speed
- Sprint times
- GPS- Speed
- Elasticity measuring

Quarter mile - Display

- Stopwatch
- Maximum values
- Light countdown

Quarter mile-  
Maximum values

- Maximum values

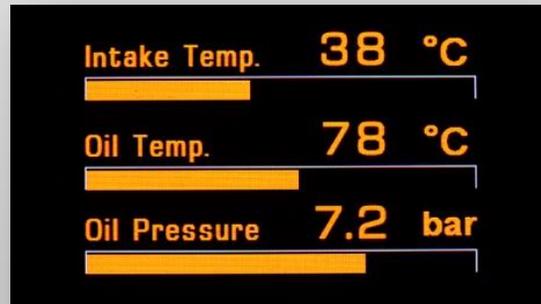

## F2xDGA Display system

Lambda values and  
exhaust temperature

- Wideband oxygensensor Bank
- Waste gas temperature
- Rail pressure

Intake temperature, oil temperature and  
oil pressure  
(only for gasoline engines)

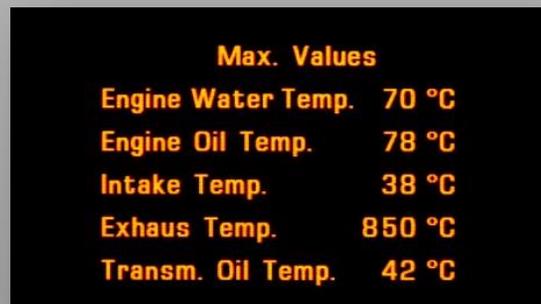

- Intake temperature
- Oil temperature
- Oil pressure

Intake temperature, oil  
temperature, fuell pressure  
(only for diesel engines)

- Intake temperature
- Oil temperature
- Fuel pressure

Maximum values  
Page 1

- Maximum values

## F2xDGA Display system

### Maximum values Page 2

| Max. Values  |          |
|--------------|----------|
| Boost Press. | 0.90 bar |
| Fuel Press.  | 7.2 bar  |
| Rail Press.  | 200 bar  |
| Torque       | 0 Nm     |
| Power        | 0 PS     |

- Maximum values

### Maximum values Page 3

| Max. Values  |          |
|--------------|----------|
| Boost Press. | 0.90 bar |
| Oil Press.   | 7.2 bar  |
| Rail Press.  | 200 bar  |
| Torque       | 0 Nm     |
| Power        | 0 PS     |

- Maximum values

### Switch off display

- During the brief wait about 2 seconds, the display turns off

## F2xDGA Display system

### Scope of delivery and Technical specifications

#### Technical specifications

- OLED color display 320 x 240
- Cutting point:
  - CAN - bus 500 Kbit
  - USB interface for software updates
- Body - plastic, original BMW air grille
- Dimensions 290 mm x 105 mm x 110 mm
- Weight 320g

#### Scope of delivery

- A display system
- Cable connection incl. USB port
- Diesel sensor (to be determined only for diesel engines and the oil temperature)
- Operating instruction
