

E82DGA EXT. KIT

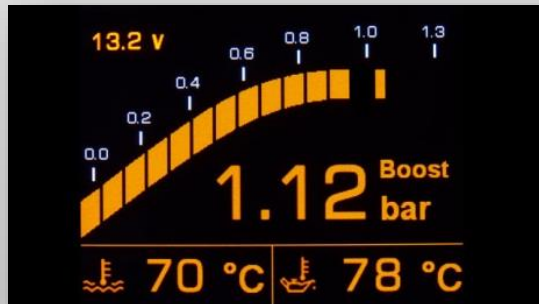

BMW

- E82 M - Coupé

E82DGA EXT. KIT

Turbocharger

- Battery voltage
- Charge pressure
- Drag indicator
- Cooling water temperature
- Oil temperature

Torque indicator

- Battery voltage
- Torque indicator
- Drag indicator
- Cooling water temperature
- Oil temperature

Performance Meter

- Battery voltage
- Performance
- Drag indicator
- Cooling water temperature
- Oil temperature

Sprint indicator

- Speed
- Stopwatch
- Maximum speed
- Sprint periods
- Longitudinal acceleration

E82DGA EXT. KIT

Acceleration

- Longitudinal acceleration
- Drag indicator
- Lateral acceleration

Performance Chart

- Performance
- Torque chart

Water and Oil temperature

- Water temperature
- Oil temperature
- Oil pressure temperatur

- Rear axle temperature
- Oil pressure temperatur

E82DGA EXT. KIT

Maximum values

*** MAX VALUES ***

BOOST PRESS.	:	1.12	bar
FUEL PRESS.	:	4.3	bar
EXH. GAS TEMP.	:	580	°C
INTAKE TEMP.	:	56	°C
BOOST TEMP.	:	45	°C
TRANS. TEMP.	:	42	°C
OIL PRESS.	:	0.7	bar
RE. AX. TEMP.	:	38	°C

- All maximum values

Switch off display

- Display in shutdown mode

E82DGA EXT. KIT

Scope of delivery and Technical specifications

Technical specifications

- OLED color display 320 x 240
- interfaces:
 - CAN - bus 500 Kbit
 - USB interface for software updates
- Body - plastic, original BMW air grille
- Dimensions 350 mm x 70 mm x 130 mm
- Weight 320g

Scope of delivery

- A display system
- Cable connection incl. USB port
- Sensors (to be determined water temperature, the oil temperature and rear axle temperature)
- Operating instruction
